Wireless NAS Media Store

The Grab'n'GO Wireless Media Store is the ultimate solution to share & store media content wireless like music, photos and videos at home or at the office. The built in UPnP AV media server offers easy access to all your files through compatible media players (like the Grab'n'GO wireless media player) and stream media without using a PC. Besides your media backup, it's a full function wireless NAS server with a powerful CPU and built-in FTP server for file access via Internet and access-right management features to give users different read and/or write permission in the (Gigabit) network. The built-in 802.11g Access Point allows you to create a wireless network within the existing network, so you can offer good wireless coverage in your house or office and have 24/7 access to all your data.

Highlights

- Built in Gigabit connection, 54 Mbps access point
- UPnP AV media server & FTP server
- Easy (remote) access to all your files
- 54 Mbps access point

Orderinformation

Product Code :	CH3WNAS
Order Code :	C05-320
EAN Code :	8714909009393
In a Box :	5

CH3WNAS C05-320

Specifications

Minimum system requirements

Computer operating system	Windows 2000; Windows XP; Windows Vista; Linux 2.6 and higher; Mac OS X 10.5 and higher
Connections / interfaces	Wired LAN (10/100/1000Mbps); Network with CAT 5E cabling (CAT6 recommended)

Features
